Dear Parents and Carers,

We are writing to inform you that GCSE mock examinations for all pupils in Years 10 and 11 will commence next week, beginning Monday 9th November.

It is extremely important that all pupils attend school and sit these examinations. The results will allow us to assess their current understanding, identify areas for development and formulate expected grades to help inform their next steps beyond school.

The mock examinations will also provide pupils with valuable experience of the expectations and demands of their actual GCSE examinations. This will help them become familiar with the examination process, environment and enable us to identify how best to support each pupil in achieving their full potential.

We therefore ask for your support in ensuring that your child is present in school throughout next week to complete their mock examinations.

Please be aware that if your child is absent, they will be expected to complete any missed examinations upon their return. This may mean missing valuable lesson time to sit the outstanding papers, which could have an impact on their learning and progress.

We appreciate your support in helping us ensure that all pupils have the best possible opportunity to demonstrate their knowledge and prepare successfully for their GCSEs.

If you have any questions or concerns, please do not hesitate to contact a member of the KS4 team.

Thank you for your continued support.

Kind regards,

The KS4 Team
